

Mazen Awaideh

Enthusiastic and fast-learning Computer Science student with hands-on experience in university group projects and a strong interest in diverse areas of the field, including web technologies and cross-platform development. Completed an exchange semester in the United States, gaining international academic and cultural exposure. Known for being adaptable, highly motivated, and eager to contribute in collaborative environments while continuously building technical and problem-solving skills. Looking to apply my academic knowledge in a practical, real-world internship setting.

Education

Bachelor Degree in Computer Science, American University Of Madaba, Madaba

February 2022 — February 2026

(Exchange Semester), Monroe University, New York City, USA

September 2025 — December 2025
